Tribe Start Small Grant

July 21 Deadline

Racialized entrepreneurs face major challenges in accessing funding. In fact, a significant finding from a 2021 Canadian Centre for Policy Alternatives report revealed that businesses owned by visible minorities received only 8.2% of the available funding.

In recognition of these challenges, and thanks to the generous support of Emera, [Tribe Network](#) is able to offer grants ranging from \$500 to \$1000 to aspiring BIPOC entrepreneurs.

Don't miss your chance to move your idea or business forward. [Apply now for the Tribe Start Small Grant Program!](#) Applications are due **July 21, 2024**.

Youth On Board

The [Youth-on-Board Program](#) is an opportunity for 25 rural high-school students to be part of a rural non-profit board.

Youth will have the opportunity to learn how things work, develop leadership skills, work with guidance of a mentor, AND earn an honorarium. The program is a win-win!

Not-for-profits benefit from the insights of a younger generation and set themselves up to potentially recruit new board members.

The deadline for students and not-for-profits to apply is **August 30, 2024**. Find out more about the program: who can apply, how to apply, and other nitty-gritty details [HERE](#).

Saving Money on Energy Costs

*Businesses, community centres, agricultural operations and others
can now take advantage of energy efficient rebates and advice from efficiencyPEI.*

Check out [Community Energy Solutions](#) to increase your building's energy efficiency and lower your energy costs. Eligible projects could include upgrades to heating systems, optimizing ventilation, thermostats and controls, and more. A variety of programs are available to help reduce energy consumption and lower costs.

Visit: www.NetZeroNavigatorPEI.com to find out which one apply to you.
