The application period for Canada Summer Jobs 2027 is now open and closes **December 3, 2026**. Funding is available to help non-profits, municipalities, and small businesses hire youth for summer positions. Learn more and apply at canada.ca/canada-summer-jobs.

Are you in need of IT talent or are you looking ahead to hiring a student next summer?

ICTC- Work-integrated Learning (WIL): Hire talent for your IT needs. Check [HERE](#) for details about how to access funding to hire post-secondary students **NOW**.

Client Profile: Wood Islands & Area Development Corporation

The **Wood Islands & Area Development Corporation (WIADC)** owns and operates the Wood Islands Market, a vibrant multi-building community space that supports tourism, local business, and rural entrepreneurship.

WIADC Executive Director, Todd St. Clair shared that RAC Montague provides solutions to many challenges rural businesses and non-profits face, from training to funding and financing. Having access to these supports locally makes a meaningful difference. As he put it: “We’d be lost without them.” Read Todd’s full client profile here: [Wood Islands & Area Development Corporation - Rural Action Centre](#)
